

Karen Price

For many years, the Eisteddfod has been a central part of my life. From starting as a young child, I have grown through a wide range of roles, from Competitors Liaison and hospitality for UK groups to eventually serving as Chair of Competitors, before being elected to the Standing Board three years ago.

I continue to act as UK Groups Liaison and remain based in Competitors Reception, where I feel well placed to represent competitors' interests at Board level. Over the past year, I have also taken on the responsibility of welcoming new volunteers, working closely with team leaders to help prospective volunteers find the area that suits them best. I have genuinely enjoyed giving my time to this work and supporting people as they begin their Eisteddfod journey.

Alongside this, I have been an active member of the Pavilion Support Team throughout the year and greatly value the camaraderie and commitment shared within that group.

It has been a great honour to serve on the Board, and with your support I would be delighted to continue that service for the next three years. My aim is always to give the Eisteddfod the care, dedication, and representation it deserves.
